Mel Bay Publications, United States, 2012. Paperback. Book Condition: New. 305 x 216 mm. Language: English . Brand New Book. This book is the perfect introduction to guitar for left-handed students. For decades, guitar students and teachers alike have struggled with the idea of left-handed individuals playing right-handed. Now that the idea of letting the dominant hand rule is widely accepted as the best course of action, here at last is a popular and creative method for teaching guitar to young, left-handed children. This approach to learning integrates chord playing and note reading from the very beginning. Illustrations are included along with the music. The book is written in standard notation.
