John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, Re-wiring Business: Uniting Management and the Web, Tim McEachern, Bob O'Keefe, A new line of books reveals how technology is changing how we do business. How strategic business-wide use of Web technology can boost efficiency, sales, and profits Authors Tim McEachern and Bob O'Keefe vividly illustrate that new Web technology must be considered and managed within the context of a company's entire business operations. With the help of success stories from industry leaders, they demonstrate the impact the Web can have on everything from product development to supplier relations, marketing and sales to personal management styles. The first book to show how strategic use of Web technology can positively impact all aspects of organizational growth Includes real-life examples from Johnson & Johnson, GE Price Waterhouse, United Technologies, UT Carriers, and other industry leaders Provides a framework for integrating EDI, Intranets, logistics software, and other Web-related technologies into product design and overall business operations TIM McEACHERN (Albany, New York) is founder and President of One World Interactive, developers of Web sites for a number of Fortune 500 companies. BOB O'KEEFE (London, England) is a professor of information services management at Brunel University in London and has been a visiting professor at the Rensselaer Polytech's Lally School of Management and Technology.
