*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

We need spend no time in showing, that the God of nations requires a national righteousness to the temporal salvation of the people, as He does a personal righteousness, as the God of all flesh, to the salvation of the soul; that the temporal rewards and penalties of the one, are as certain as the eternal issues of the other. The covenant God entered into with the Jewish nation, is virtually entered into with every other, according to light given; and the succeeding history of the results of obedience or disobedience, is the same. Mt. Gerizim and Mt. For none of them, on a distant approach to righteousness, even in the negative sense of not persecuting the truth, failed of a proportionate degree of advancement. On the contrary, unrighteousness sunk them to their graves, though the descent might be through long centuries.
