Have you noticed a steady decline in both American morality and are economic prosperity? In 1972 the Federal Supreme Court defined the First Amendment s separation of church and state clause; which sent America into a flat spin into economic tragedy. Ironically by the spirit of the clause and its wording their making the ruling at all was in direct violation of the Constitution of the United States of America. After all they ruled that: The First Amendment provides that Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof. The First Amendment has been incorporated into the Fourteenth Amendment and applies to the states and their subdivisions. The first provision is called the Establishment Clause; the second, the Free Exercise Clause. Thus, the guarantee of religious freedom has a double aspect. The Establishment Clause prohibits laws requiring that anyone accept any belief or creed or the practice of any form of worship. Courts have relied on the Establishment Clause to nullify numerous...
