Upon collecting the material it was found to greatly exceed such limits; so in place of adding it to the old volume it was decided to make a new one. The essays here collected represent the more important phases of the authors musical studies since the production of the first volume. The chapters on Richard Wagner are, in part, from the essays published in the non-official program book of the Chicago Festival of 1884; in part, from the authors letters from Europe to the Chicago Daily News, in the same year, and in part, new. An important section upon Die Meister-singer and Tristan and Isolde was written expressly for this work by the well-knowm Wagnerian scholar and American composer, Mr. Fred. Grant Gleason, acknowledgment of which is here and elsewhere made. The essay upon the Tonal...
