Reviews

This type of pdf is everything and helped me searching ahead and a lot more. It normally does not expense a lot of. You wont really feel monotony at anytime of the time (that's what catalogues are for relating to should you request me).

(Zella Bradtke)

INNER ALCHEMY ASTROLOGY: PRACTICAL TECHNIQUES FOR CONTROLLING YOUR DESTINY

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Inner Alchemy Astrology: Practical Techniques for Controlling Your Destiny, Mantak Chia, Christine Harkness-Giles, Each of us is born with a unique combination of heavenly and earthly energies dictated by the stars overhead and the season on Earth at the moment you take your first breath. Known in Taoist astrology as the Four Pillars of Destiny, this "birth chi" can be calculated using the year, month, day, and time of your birth. Master Mantak Chia and astrologer Christine Harkness-Giles reveal how to interpret your birth chi and strengthen weaknesses within your astrological energies. They explain how each of us is ruled by one of the Five Elements--Wood, Fire, Earth, Metal, and Water--in a Yin or Yang state. For each Element and Yin or Yang combination, the authors describe personality traits, ideal career paths, and emotional and health issues. They reveal how to discover your levels of success, wealth, and power; how your astrological strengths will manifest; and how to understand your relationships with partners, friends, and family. They also explain how to use your chart to calculate your organ health and annual luck cycles. The authors show how to use Inner Alchemy techniques, such as color therapy and feng shui, and Universal Healing Tao exercises, such as the Healing Sounds and Chi Kung, to harmonize and strengthen the inborn imbalances and weaknesses in your chart. This hands-on method of astrology allows you to take control of your health and destiny by connecting your personal energy with the energies of the cosmos.
