

## Key Themes in Health and Social Care: A Companion to Learning

---

By Adam Barnard

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Key Themes in Health and Social Care: A Companion to Learning, Adam Barnard, Key Themes in Health and Social Care is a learning resource for students in health and social care. It provides an overview of foundational issues and core themes in the field and introduces key areas of debate, moving from an introductory level to in-depth discussion as the book progresses. Divided into three parts: \* the first part sets the scene, addressing introductory psychology and sociology, social policy, equality and diversity, skills for practice, and working with people \* the second part considers key themes such as the contribution of philosophy and politics; criminal justice; management of services; the relationship between place and wellbeing; research in health and social care; theories of counselling; housing and the built environment \* the third part looks at discrete areas of practice such as mental health; substance abuse, protection work; health promotion; disability studies; working with men; child welfare and public responsibility. Each chapter begins with an outline of the content and learning outcomes and includes reflective exercises to allow students to reflect on what they have read, review their learning and...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Otis Wisoky**

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
