

## The Dichotomy Project: A Book of Poetry (Paperback)

Filesize: 7.54 MB

### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

*(Robyn Nolan)*

Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Explore facets of humanity told from male and female perspectives that are almost always at odds in this diverse collection of poems. You ll discover the emotions and truths hiding behind thirty themes, including love, loss, and anger. Find where paths diverge and why men and women view aspects of their lives so differently. Along the way, you ll explore a son s regret and love in Riding the Storm, a portion of which reads: I went to Colorado after my mother died. I failed in my honor to be at her bedside. Instead, I chose my military duty at Fort Hood. Yet, there at her graveside with my family I stood. You ll also discover a girl s deepest desires in If I Were Pretty, which reads in part: If I were pretty No one would say Well, she s got a nice face. Great personality. Compliment and insult in a single line, Because it s everything good, But nothing you want. Wear a different set of eyes with these and so many more poems and find a fresh rhythm in The Dichotomy Project.
