Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It's been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

BRENDA MONK IS FUNNY

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Brenda Monk is Funny, Katy Brand, Brenda Monk is a true stand-up, by her very nature - it is under her skin; itching and bubbling. She is addicted to the feeling of being on stage, looking out at expectant, up-turned mouths, waiting for the first laugh to hit. A first laugh that will not happen unless she creates it. But Brenda is clueless. The on-off girlfriend of a prolific comedian, it is only after she realises his best stage material consists of recycled versions of her own restless, smart-arsed energy that she begins to wonder whether she might be better off keeping her jokes for herself - and so she finds herself making her very first walk to the mark on stage in front of a bare brick wall, with just a spotlight and a PA system for cover, wondering what we all wonder from time to time: am I funny? A book as much about the thrill of performance as it is about what goes on when the microphone is switched off, Brenda Monk is Funny is a blackly humorous and devastatingly candid snapshot of the reality, the brutality and fragility of the comedy industry from an exciting new voice in fiction.
