

## Evidence-Based Insights Linked to the Millennium Development Goals

By N. Sumil

GRIN Verlag Sep 2015, 2015. Taschenbuch. Book Condition: Neu. 211x152x7 mm. Neuware - Anthology from the year 2015 in the subject Social Studies (General), , language: English, comment: The book contains 7 articles of academic staff, peer reviewed by Bugema International Multidisciplinary Research Conference slated on September 28-29, 2015. The conference was cancelled. We felt the need to disseminate the findings as the MDGs are coming to completion this September 2015. Evidence based data are needed to evaluate the past MDGs and to contribute for the next Sustainable Development Goals Agenda that will continue the 2000 MDGs direction., abstract: The September 2000 United Nations Millennium Declaration was never an option but a felt need for global development and sustainability in the aspects of poverty reduction, universal primary education, gender equality and women empowerment, child mortality reduction, maternal health improvement, fight against HIV/AIDS, malaria and other diseases, environmental sustainability and global partnership for development. Is the millennium development goals' path cleared for completion Sustainability is the answer rather than end the MDGs. For this reason, the Sustainable Development Goals (SDGs), a new development agenda, has been conceived to continue in the next fifteen years what the MDGs have started and may...
