Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

FANTASY LEAGUE

Penguin Audiobooks, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 146 x 134 mm. Language: English . Brand New. From the #1 New York Times bestselling author of HEAT, TRAVEL TEAM and MILLION-DOLLAR THROW comes a story of every football kid s dream come true. 12-year-old Charlie is a fantasy football guru. He may be just a bench warmer for his school s football team, but when it comes to knowing and loving the game, he s first-string. He even becomes a celebrity when his podcast gets noticed by a sports radio host, who plays Charlie s fantasy picks for all of Los Angeles to hear. SoonCharlie befriends the elderly owner of the L.A. Bulldogs -- a fictional NFL team -- and convinces him to take a chance on an aging quarterback. After that, watch out . . . it s press conferences and national fame as Charlie becomes a media curiosity and source of conflict for the Bulldogs general manager, whose job Charlie seems to have taken. It s all a bit much for a kid just trying to stay on top of his grades and maintain his friendship with his verbal sparring partner, Anna. Like the best Disney film in book form, like Moneyball for kids, Fantasy League is every football kid s dream scenario. Lupica is the greatest sports writer for middle school readers. VOYA.
