

## Thomas Hirschhorn: Deleuze Monument

Filesize: 4 MB

### **Reviews**

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THOMAS HIRSCHHORN: DELEUZE MONUMENT

Afterall Publishing. Paperback. Book Condition: new. BRAND NEW, Thomas Hirschhorn: Deleuze Monument, Anna Dezeuze, Part-text, part-sculpture, part-architecture, part-junk heap, Thomas Hirschhorn's often monumental but precarious works offer a commentary on the spectacle of late-capitalist consumerism and the global proliferation of commodities. Made from ephemeral materials -- cardboard, foil, plastic bags, and packing tape -- that the artist describes as "universal, economic, inclusive, and [without] any plus-value," these works also engage issues of justice, power, and moral responsibility. Hirschhorn (born in Switzerland in 1957) often chooses to place his work in non-art settings, saying that he wants it to "fight for its own existence." In this book, Anna Dezeuze offers a generously illustrated examination of Hirschhorn's Deleuze Monument (2000), the second in his series of four Monuments. Deleuze Monument -- a sculpture, an altar, and a library dedicated to Gilles Deleuze -- was conceived as a work open to visitors twenty-four hours a day, seven days a week. Part of the exhibition "La Beaute" in Avignon, Deleuze Monument was controversial from the start, and it was dismantled two months before the end of the exhibition after being vandalized. Dezeuze describes the chronology of the project, including negotiations with local residents; the dynamic between affirmation and vulnerability in Hirschhorn's work; failure and "scatter art" in the 1990s; participatory practices; and problems of presence, maintenance, and appearance, raised by Hirschhorn's acknowledgement of "error" in his discontinuous presence on site following the installation of Deleuze Monument.
