Publisher: Stergiou Limited SAMPLE: <http://goo.gl/2wlhCb> This book has been written mainly for the people who are financially weak, those who have been hurt in many ways brutally by the economic crisis. Even those though, who have escaped until now with only scratches or even those lucky ones well being can find useful elements in it. It is a simple, but valuable tool. It does not contain hard to understand and complicated analysis nor prophecies nor wisdom nor magic solutions. Its raw material is COMMON SENSE! Its object is what tortures today the overwhelming majority of quite a few nations within the European Union and not only: THE ECONOMIC CRISIS. The crisis and how we may face it, not on a macroeconomic and political level, but on the everyday life of the individuals and their families in correlation with the family budget. This Practical Manual records simple ways, in which, individual citizens can face the crisis in personal, family and professional level, in order to avoid major wounds. Of course neither this book nor any other power can defuse or delete the crisis! What it is aiming at is to contribute to the maximum possible reduction of the unpleasant repercussions of crisis on any individual, family or business, suggesting simple practical every day ways. It is certain that quite a few of the readers of this book know and practice already some of these 282 ways. It is also certain though that they will find among them some new, interesting, helpful ways, some of which may take them by surprise or even irritate them! . . The usefulness of this book lies in the fact that it...
