Brand New Book ***** Print on Demand *****.In high school, Nick Torres and Angelo del Valle were inseparable, outsiders who found strength in friendship. The bond between the gay, mixed-race teens turned isolation into brotherhood. Overachieving loner Angelo became big bro, looking out for cocky, mischievous little bro Nick. But everything changed when Nick fell in love and moved away. Angelo tried to be happy for his dear friend, seeking solace in his college studies and a lonely string of one night stands. Then, one late night two years later, Angelo's phone rings. Nick is back in town, and he needs his big bro's help. Nick's dream life has become a nightmare, and he's come to the one person he could always trust for shelter. But when Nick looks to Angelo for more than brotherly affection, Angelo is left to wonder if Nick's feelings are genuine or an effect of his trauma. And if those feelings are genuine, Angelo must then decide if his own feelings for Nick have grown into something deeper as well.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
