

The Disappearing Spoon Study Guide (Paperback)

By Pembroke Notes

Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.How to Use This Book This book is to be used along side the bestselling book, The Disappearing Spoon by Sam Kean for anyone who wants to learn about the periodic table in an engaging and unique way. For students: The study questions are in order and follow Sam Kean's narrative. Answer the questions as you read the book. The answers are in the back section. For teachers: This is an easy and interesting resource to help your students learn about the periodic table. Never has it been put in a way that transforms a normally dry subject into a page-turner. This is a step-by-step guide to help students learn about the elements. Use your own unique teaching style to supplement the Pembroke Notes with engaging activities and experiments. With the new Common Core standards and a push to increased rigor, I have added a Writing Workshop section at the end of my book to help you with writing assignments. For homeschools: Your high school student will love the easy guide to help him/her in...
