Pen Sword Books Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book. Living as we do in the midst of a technological revolution, during which the nature of war has changed more rapidly than in any other period in history, the stirring, colourful days of the Regency and The Peninsular War seem now so remote that they are effectively removed into mythology. Inspired in his boyhood by the kindly and unfailing help of a distinguished Edwardian historian - C.C.P. Lawson, to whom this fascinating book is dedicated - John Mollo has devoted many years to the study of the British Army in the Napoleonic era, its campaigns, triumphs and disasters. In so doing he has not only become a master of the most kaleidoscope range of uniforms worn in the period - a subject on which he has published widely - but also the whole social and political background against which the army achieved some of its most historic successes. Basing his story on contemporary letters, diaries and reports and a comprehensive bibliography, John Mollo takes the reader into the heart of the Hussar Brigade in peace and war, depicting its many colourful characters with a sure hand and describing every facet of day-to-day life, in barracks and on the battlefield. In so doing he highlights the extraordinary contrast between the foppish dandyism so beloved by the Prince...
