With warring approaches to justice, these two rivals have been butting heads for years--both inside the courtroom and out. And at first, this case appears to be no different. But when a brutal attack leaves the accused man dead and Caity in critical condition, petty differences take a backseat to saving lives. As the lone survivor, Caity knows too much, and the killer--a madman calling himself the Man in the Maze--is coming back for round two. Now Caity and Spense must join forces to uncover the killer's identity before Caity's time--and luck--runs out.
