Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

INTO A RAGING BLAZE

Quercus Publishing. Hardback. Book Condition: new. BRAND NEW, Into a Raging Blaze, Andreas Norman, Ian Giles, Stockholm, September 2011. Carina Dymek is on a fast track for promotion at the Swedish Ministry of Foreign Affairs, when she is approached by a stranger and given a USB stick containing a report to circulate in her department. Unwittingly, she delivers a time bomb of classified information that sends her career up in flames and puts her on the radar of the security service, Sapo. Tasked with investigating how Dymek gained access to the confidential report, the formidable Bente Jensen of Sapo is quietly approached by the British MI6, who have an undisclosed interest in the leak. She finds out that Dymek's boyfriend is an Egyptian Swedish national. But it's MI6 who link his family to an extreme faction within the Muslim Brotherhood in Cairo. The case explodes into an international manhunt. Liaising with the ruthless MI6, Bente uncovers the secretive plans contained in that leaked report: plans for an omnipotent Europe-wide Intelligence Service. Forces hone in on Dymek, while Bente begins to suspect she is a red herring caught in a far wider net: one in which social media is abused for intelligence and civil rights are sacrificed to national security. Andreas Norman, a former Swedish Ministry official, has written an explosive expose of Anglo-American spying and surveillance on European civilians in the name of counter-terrorism. This dizzying thriller anticipated the Edward Snowden revelations and rocked Sweden on publication.
