Brand New Book ***** Print on Demand *****.NATURAL THERAPIES FOR AUTISM: UPDATES ON THE RESEARCH (for practitioners and parents) In early 2015 I was asked at the last minute to be a fill-in speak at a huge Thrive meeting in Nashville. This is one of the three talks (with more research added since) that I gave to the surprise of the 5,000 women in attendance - I have received several hundreds of requests for this so here it is. Do you have a child on the spectrum and questions? You've been told by your doctor (in your child's 2 1/2 minutes of allotted time) that there are no new options other than some prescriptions for children in the spectrum -- he/she hands you a prescription with a warning that there's only minimal side effects for your child. You are sad because you've been waiting and looking for answers for many years and the 14 different doctors your child has seen have only helped minimally -- you've been looking for more natural options. Are there any? You crawl out the...
