

Immigration: Debating Issues

By Nicholas Capaldi

Prometheus Books. Paperback. Book Condition: new. BRAND NEW, Immigration: Debating Issues, Nicholas Capaldi, Nothing more precious is at stake than how we view ourselves as a nation. A white-hot flash point has ignited intense arguments over immigration. The source: an influx of illegal aliens crossing U.S. borders; entering major cities; and, in the minds of many, wreaking havoc with depleted resources, job availability, social services, education, and law enforcement. The fear is so strong that politicians have actually suggested building barriers on our borders, denying social services to illegal aliens, and denying citizenship to infants and children. Should we be true to our heritage and welcome all who enter? Should we secure our borders? Who should enter? How many? Is unfettered immigration an avenue to social diversity, or a dark road to civil disaster?.
