Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Experimental Station: Second Annual Report of the Director, for the Year 1982 It has been thought unnecessary to recapitulate in this report the results of observations of previous years on the subject of the contagious diseases of the chinch-bug. The publication of the list of field experimenters who have made reports is deemed advisable, even in face of its great length, under the belief that an opportunity is thus given farmers to be informed of those in their neighborhoods who have made field trials and who are therefore in position to speak at first hand of the probable value of the experiments. In addition to the list of reporting experimenters, a general summary of the season's work in field and laboratory is given, and the needs of the Station are set forth. The report is intended primarily for those especially interested within the State, i. e., the wheat and corn growers, and the laboratory notes and references to the technical work of the Station are brief and generalized. The Director recognizes the need of...
