Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This edition of the U. S. Army War College Guide to National Security Policy and Strategy continues to reflect the structure and approach of the core national security strategy and policy curriculum at the War College. The fifth edition is published in two volumes that correspond roughly to the Department of National Security and Strategy s core courses: Theory of War and Strategy and National Security Policy and Strategy. Like previous editions, this one is based on its predecessor but contains both updates and new scholarship. Over a third of the chapters are new or have undergone significant rewrites. Many chapters, some of which appeared for years in this work, have been removed. Nevertheless, the book remains unchanged in intent and purpose. Although this is not primarily a textbook, it does reflect both the method and manner we use to teach strategy formulation to America s future senior leaders. The book is not a comprehensive or exhaustive treatment of either strategic theory or the policy making process. Both volumes are organized to proceed from the general to the...
