# Stratified Data Partitioning in Artificial Neural Network

Filesize: 6.39 MB

Reviews

Merely no terms to spell out. It really is rally exciting throgh reading through period. Your daily life period is going to be enhance as soon as you complete looking over this ebook.
(Yvette Marquardt)

STRATIFIED DATA PARTITIONING IN ARTIFICIAL NEURAL NETWORK

To download **Stratified Data Partitioning in Artificial Neural Network** PDF, please access the link beneath and download the file or get access to other information which are highly relevant to STRATIFIED DATA PARTITIONING IN ARTIFICIAL NEURAL NETWORK ebook.

Book Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | A Data Clustering Algorithm for Stratified Data Partitioning in Artificial Neural Network | The statistical properties of training, validation and test data play an important role in assuring optimal performance in artificial neural networks (ANN). Researchers have proposed randomized data partitioning (RDP) and stratified data partitioning (SDP) methods for partition of input data into training, validation and test datasets. In this book we discuss the shortcomings and advantages of these methods. Eventually we propose a data clustering algorithm to overcome the drawbacks of the reported data partitioning algorithms. Comparisons have been made using three benchmark case studies, one each from classification, function ap-proximation and prediction domain respectively. The proposed CDCA data partitioning method was evaluated in comparison with Self organizing map, fuzzy clustering and genetic algorithm based data partitioning methods. It was found that the CDCA data partitioning method not only performed well but also reduced the average CPU time. | Format: Paperback | Language/Sprache: english | 116 pp.
